- (2) Some of the Asst. Comrs who are stagnating without promotion for the last 5 years or more, will get the benefit of promotion.

to make the necessary provision of funds to meet the pay of a Senior Asst. Comr. It is however the Finance Dept. that made the suggestion that no enhanced provision need be made on this account and that on the other hand the post may be treated as a temporary addition to the cadre of Asst. Comr.

6) The present proposal of the Rev. Com to treat the post of Spl. D.A. officer as outside the cadre is intended to secure one more vacancy of Senior Asst. Comr for the men in the regular cadre of Asst. Comr some of whom have reached the maximum of their grade several years back. This advantage will ~~also~~ accrue ~~only~~ so long as the post is held by a Senior Asst. Comr.

7) The proposal suggested by the Fin. Secy & ~~approved by Govt~~ approved by Govt has had the result that while actually the K.R.S. budget is debited the cost of the pay of an Asst. Comr. the work is actually attended to by a Senior Asst. Comr on Rs 600/- Financial concurrence will be necessary if the Rev. Comr's proposal is to be agreed.

11) It is a fact that there is competition in the grade of Assistant Commissioners in the case of officers who have reached the maximum pay of Rs 450. The proposal of the R.C. does not however provide a satisfactory remedy. The appointment of an Acq. Officer for K.R.S. works is only of a temporary

Character and. Even so, it is not always necessary to post an Officer of a Senior Arts grade to the work. In this case, it was because of the peculiar circumstances of the case, and the exigencies of ^{the R.S. work} service that Mr. Hukla was posted. If his services are slightly required elsewhere, and he is transferred, it would be sufficient to post an officer in the 1st grade of Assistant, for this work. The G.O. calls for no revision therefore.

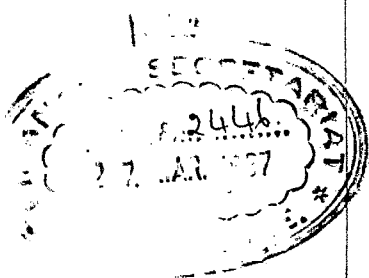

- 12) But the stagnation of officers on Rs 450 could be eased by increasing the number of Senior Assistants by 2. ~~more~~ out of a total 70 officers in the grades of Senior Assistant & Assistant. There would ^{then} be 12 officers of the Senior Arts grade. This would not be high, and the ^{present} relief to the junior members of the Service deserve relief to this extent.

- 13) The R.C. has mixed up a particular case with a general question. ^{on both questions his arguments are} I fully agree ^{not} with the Ch. Secy's ^{view} regarding the particular case as at A above -

- 14) As regards ^B the general question, the R.C.'s ~~Keenan's~~ arguments are not correct and the Ch. Secy's ~~summary~~ ^{view} recommendation is of a ^B ~~Summary~~ character - I do not see why this general question should ~~not~~ have been raised now

The Ch. Secy's suggestion to increase the number of Senior and Comr by 2 is not based on any valid grounds, involves an extra recurring exp^t of Rs. 4720 p.a. and is not financially acceptable -

15) The R.C. ^{& the Chief Secy} ignores the chances of promotion which come in by Senior and Comr being appointed to the special appointments mentioned in para 1 of this file. These ^{constitute} a substantial addition to the number 10. The latest Civil ^{list} shows that against 10 ~~for~~ Senior and Comr as per scale the actual number including outlying etc is 19. x

16) Normally a person starting as an Asst Comr takes about ^{15 or 16} years to get the place of a Deputy Comr. - This is the main point about their ~~possible~~ chances of promotion and remains unaffected by the rapidity of promotion in the Asst Comr grade or the number of posts in the S^r Asst's grade. He may be spending various periods of this service as a Junior Asst Comr or as an Asst Comr or as a Senior Asst Comr depending on the number of years taken to rise from Rs 250 to Rs 450 and the number of Senior Asst Comr's places. These have changed from time to time and ~~often~~ there is apparent stagnation at some stage for some of the officers as compared with others but the ~~same~~ respect in these the time when they get the D.C.'s place is the same. There were days when officers used to rise to Rs 450 in 5 years and then stagnate, in some cases they would take 8 to 12 years to reach Rs 450. [&] ~~so that~~ the stagnation would be prior to reaching Rs 450, these were days when there were no places of Senior Asst Comr etc.

17) The comparison was further for considering the chances of promotion of an Asst Comr not merely the places of S^r Asst Comr but ^{the number of} all other higher appts, S^r Comr, Hds of Dep'ts etc have been taken into account.

(8) The number of such appointments in the higher grades in the Revenue Department is about twenty against only eight in the Judicial Department. The comparison with the Judicial Department is therefore not quite valid.

(9) For reasons stated above, there does not appear to be sufficient justification or immediate need to increase the number of the Senior Assistant Commissioners.

No. C. 3773/36-3)

OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE.

Dated Bangalore, 2nd March 1937.

FROM

K.V. Anantaraman, Esq., B.A.,
Revenue Commissioner in Mysore.

To B.T. Kesavaiengar, Esq., B.A.,
Chief ~~the~~ Secretary to Government

of His Highness the Maharaja of Mysore,
Bangalore.

SIR,

With reference to Government Order No. 1742-6/C.B.
61-36-5 dated 21st January 1937, directing that the post of
Special Land Acquisition Officer, Krishnarajasagara Works, be
treated as one included in the Civil Service Cadre and that the
scale of Assistant Commissioners be temporarily increased by
one on this account, I have the honour to state that in the
past every Officer posted as Special Land Acquisition Officer,
Krishnarajasagara, used to be treated as on O.C.D. as his pay
and that of his establishment used to be provided for in and
met out of the Krishnarajasagara Works Budget. The Sub Divi-
sion Officer and Special Land Acquisition Officer, Mandya, is
being treated O.O.D. and whenever the Officer posted to the
charge of Mandya Sub Division happens to be a Senior Assistant
Commissioner another Assistant Commissioner in the general line
is being promoted as Senior Assistant Commissioner, Vice the
said Officer on other duty. In view of the importance and
responsibility attaching to the post, of Special Land Acquisi-
tion Officer, Krishnarajasagara, a Senior Assistant Commissioner
used to be invariably posted to that Office excepting Mr. Muddu-
krishnappa, Assistant Commissioner, and Mr. K. Mallaraj Urs,
Assistant Commissioner, who were posted to that office when there
was considerable reduction in Land Acquisition Work.

2. The present order including the post of Special Land
Acquisition Officer, Krishnarajasagara, in the cadre of Assistant
Commissioners denies the rare chance of promotion to an Assistant

Assistant Commissioner in the general line; and if this principle be extended to all other similar cases such as the posts of Special Land Acquisition Officer, Mandya, Secretary of the Stores Purchase Committee etc., a number of Assistant Commissioners will be deprived of their chances of promotion to the grade of Senior Assistant Commissioners.

3. There was a time when Assistant Commissioners drawing Rs. 350/- or Rs. 400/- used to be promoted to the Senior Assistant Commissioner's grade long before they reached the maximum of an Assistant Commissioner's pay. But for the last 6 years or so several Assistant Commissioners who reached the maximum pay in the grade had to wait and are still waiting for 5 years or more without a chance of promotion.

4. As against 57 Assistant Commissioners of all Departments, there are only 10 Senior Assistant Commissioners. But as against 28 Munsiffs of the same grade there are 13 subordinate Judges of the Senior Assistant Commissioner's grade. The result is that Munsiffs who reached the maximum pay of Rs. 450/- long after Assistant Commissioners reached it, have been promoted as Sub Judges.

5. In view of the stagnation that has set in, in the Cadre of Assistant Commissioners, I request that Government Order directing the inclusion of the post of Special Land Acquisition Officer, Krishnarajasagara, who is actually working in the Public Works Department, in the Cadre of Assistant Commissioners may be reconsidered and that Office be ordered to be kept out of the Civil Service Cadre as usual.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.

The Revenue Commissioner in Mysore.

Sir,

With reference to your letter No. C.3773 of 36-37, dated 2nd March 1937, recommending that the post of Special Land Acquisition, Krishnarajasagara Works may be treated as being outside the Civil Service cadre so as to admit of another officer in the Assistant Commissioner's cadre being promoted to the grade of Senior Assistant Commissioner in place of a Senior Assistant Commissioner posted as Special Land Acquisition Officer, I am directed to state that it is not always necessary to post an officer of the Senior Assistant Commissioner's status for this work and Government do not see sufficient justification for revising their previous order directing the inclusion of the post in the Civil Service cadre, the scale of Assistant Commissioners being temporarily raised by one.
